Seeing stars...

Charity Navigator, a leading evaluator of public charities, has awarded The Rotary Foundation its top rating of four stars.

To help people make intelligent donation choices, Charity Navigator provides free ratings of tax-exempt, U.S.-based charities that receive more than \$500,000 from public support.

"Less than a quarter of the charities we evaluate have received our highest rating, indicating that The Rotary Foundation of Rotary International outperforms the majority of non-profits in America with respect to fiscal responsibility," said Trent Stamp, executive director of Charity Navigator.
